Sir:

PETITION TO RE-MAIL FINAL OFFICE ACTION
AND RESTART PERIOD FOR RESPONSE

Pursuant to the provisions of M.P.E.P. § 710.06, Applicant requests that the Final Office Action of April 30, 2008 ("Office Action") be re-mailed and that the period for response thereto be restarted, as the Final Office Action was not received from the U.S. Postal Service.

The Final Office Action was presumably mailed by the United States Patent and Trademark Office ("USPTO") on April 30, 2008, but it was never received by the undersigned's firm. The Final Office Action was discovered in the USPTO's Patent Application Information Retrieval System (PAIR) during an investigation into the status of the application on September 29, 2008, after the set reply period had already elapsed.

Applicant encloses the results of a USPTO mail search of the undersigned firm's U.S. mail log for correspondence concerning the pending application (docket no. 09282.0007-00000). There is no entry showing that the Final Office Action was received. To be thorough, Applicant also encloses the undersigned firm's mail log for April 30-May 5, 2008, in its entirety, which also includes no indication that the Final Office Action was received. Applicant further encloses a listing of due dates from the undersigned's docketing system for the month of July, 2008 as of July 1, 2008, which does not include a due date for responding to the Office Action of April 30, 2008.

For the foregoing reasons, Applicant respectfully submits that Applicant is entitled to have the Final Office Action of April 30, 2008 re-mailed and the period for response thereto restarted under the provisions of M.P.E.P. § 710.06.

If there is any fee due in connection with the filing of this Petition, please charge such fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
